

JAKS SDN BHD

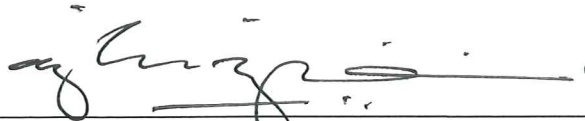

OCCUPATIONAL HEALTH AND SAFETY POLICY

JAKS SDN BHD, involved in Project Management, Civil Works, General Buildings and Infrastructure Projects, is committed to ensure, as far as practicable, a healthy and safe workplace for all interested parties.

To achieve the above, we shall :

- Set Health and Safety objectives in order to ensure a healthy and safe workplace for all its employee, customers, contractors and public.
- Commit to the prevention of work related injuries and ill health.
- Implement and continually improve OH&S management system throughout the organization.
- Take steps to identify and eliminate hazards, asses the risks and control these OH&S risks.
- Comply with all applicable OH&S legal requirements and other requirements.
- Committed to consultation and participation of workers and workers' representatives.
- Report and investigate any ill health, workplace incidents and accidents and take all appropriate corrective actions.
- Provide OH&S education and training involving workers to ensure health and safety awareness.
- Communicate this policy within the organization and made available to all interested parties.

“YOU ARE THE  TO YOUR SAFETY”

NOOR AZHAN RIZALUDDIN BIN JAMIAN

Director
